In 2016 Kingsmoor Academy was given a GOOD rating by Ofsted

# From Ofsted: The early years provision is GOOD!

- Children in the early years learn well in a welcoming and bright environment.
- Pupils are making good progress in all year groups. This is a significant improvement since the last inspection.
- The principal provides very effective leadership.
- Senior leaders know the school well. Their work to improve teaching has been very successful.
- Pupils behave well in lessons. They feel safe and enjoy coming to school. Pupils' attendance has risen significantly since the previous inspection.
- The quality of teaching has improved during the past year. New staff have quickly settled and are contributing well to the school's work.

Because of the success of the school is rapidly expanding into a two form entry. We already have two Reception classes this year and this will continue in future years.

Our Nursery provision will be opening in September 2017 with morning sessions for 3-4 year olds and afternoon sessions for 2 year olds.

# The 6Rs

## The 6Rs Promise

**Resourceful** -we use people, technology, equipment and ideas to help overcome problems.

**Responsible** -we take care of our environment, the world around us and of others.

**Respectful** - we listen to others' opinions and ideas, valuing and appreciating everybody's unique qualities.

**Ready** -we are organised, prepared for learning and equipped to rise to any challenge; we show a growth mindset!

**Resilient** - we never give up with our learning; we always persevere!

**Reflective** - we think about our learning and behaviour, considering how we can improve and be even better!

Having an onsite Nursery will mean we get to know our new intakes and their families from a very young age and make transition between Nursery and Reception easier for these families.

We are very lucky as we will have 3 adults in each Early Years classroom which means we have a Staffing Ratio of 1:10.

At Kingsmoor we have supportive staff and leadership and we pride ourselves on working as a team to create a safe and effective learning environment.
