

Maths

Focus on your target times tables. By the end of Year 3, all children are expected to know all of their 3, 4 and 8 times tables, as well as those previously learnt (2, 5 and 10)

Remember to know them you need to be able to recall them instantly.

Show at least **three** examples of where you have practised your times tables during the Autumn term.

Record **three** examples of when you use Maths in everyday life. These can be recorded in different ways, for example, using photos or written sentences about how you used Maths.

English

Describe this picture using descriptive language.

(Remember to include Adjectives, Alliteration, Similes and Metaphors)

Years 3 should read every day for 20 minutes. Remember to make a comment in your diary! These will be checked on a **daily** basis.

Write a short story about an 'Interesting Journey to India'. Where will you go? What will you see? Who will you meet? Who will you go with? How will you get there?

KLP/Research

Research 10 facts about the history of India.

Create a poster about the location of India. Remember to include information about the surrounding oceans, countries and mountains.

Research 10 facts about Indian food.

Which ones would you like to try? Can you create your own Indian menu with your favourite Indian dishes?

Research information about Indian celebrations.

When is the next one?

Art/Creative

Draw a picture of the famous Indian building the Taj Mahal. You can use paint, collage, pastels, or other printing techniques. You can even place a picture of yourself in the picture.

Can you find out when it was built?

What is the building used for?

Design and make your own Rangoli Pattern.

Research traditional Indian dress. What do girls/boys wear? Draw and design a traditional Indian outfit that you would like to wear.
