Hi Everyone

The children of Kingsmoor have had a really exciting learning week. They were transformed back to Ancient Greece and handled the owls during our owl flying display. Well down to Leyla Spicer for winning the owl competition. A great legacy as Luna the owl sculpture will still be in the forest long after year 3 have finished studying at University

Kingsmoor Owl Visits

We had a fabulous start to our week at Kingsmoor with a flying visit from some very special owls. The children enjoyed a a flying display with an educational talk that taught children the importance of looking after all types of wildlife.

Homework & Reading Books

Please can we remind you to send your child in with their reading book and homework on the correct day. Thank you

History off the page-Ancient Greece

On the 28th January, Karl came to our school and everyone dressed up as Greek citizens. We took part in many activities such as: soap carving, pottery, charm making, making wax tablets and painting. After lunch, we took part in a Greek performance performing tragedies and we had a Greek feast where we ate things such as dates, apples, pears, honey cakes, feta cheese and bread.

We had a really enjoyable day.

Kingsmoor Owl Competition

We had over 50 entries to name the owl down in our forest area. Well done and a big thank you to everyone who entered, we really enjoyed reading through all the names and looking at the lovely drawings.

The competition was fierce and sadly there can only be one winner. Well done to Leyla Spicer, Year 3 Cuba class who came up with the winning name and a special mention to Maja, Year 6 Australia and Ava, Year 5 Japan who came a close second. From now on the owl will be known as 'Luna'. We were really impressed with Leyla's explanation that owls come out at night when the moon is shining and luna means moon in Latin.

From now on call me LUNA!
