Victorious Victorians

Science
 Spring 2:
 Earth and Space
 • Day and Night
 • Geocentric Models of the Earth
 • Spherical bodies

Geography
 • Compare the location of major world cities in the 1-8th centuries.
 • Human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water
 • Locate the world's countries, using maps to focus on Europe (including the location of Russia) concentrating on their environmental regions, key physical and human characteristics, countries, and major cities
 • Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North or South America
 • Describe and understand key aspects of: physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle

History
 • Gain historical perspective by placing their growing knowledge into different contexts, understanding the connections between local, regional, national and international history; between cultural, economic, military, political, religious and social history; and between short- and long-term timescales
 • Create a timeline to show the history of the Victorians

Art/Design & Technology
 • Consider great artists, architects and designers in history.
 • Sketches of Queen Victoria
 • William Morris - wallpapers

Music

International
 Learning about the impact the Victorians had on the world

PSHE
 Living in the wider world
