Acting Principal: Miss Lymbouris

Dear parents/carers,

As you know, Kingsmoor Academy will be remaining open for the children of critical workers and those deemed as vulnerable from Tuesday 5th January 2020. Please find the key information for you and your children outlined below:

- The school opening hours for children are 8.45am – 3.10pm.
- The school will be closing at 1.00pm on Fridays to enable a deep clean.
- Children should be dropped off and collected from the small hall doors (where breakfast club is located).
- All parents/carers must wear a mask or face covering when entering the school grounds.
- Children will be provided with one hot meal a day if this is their preference and there will be a vegetarian option if they require. This will not follow the usual school lunch menu. Please note if your child is usually free school meals this will remain the same. If you usually pay for lunch, please ensure you continue to pay for this on School Comms.
- Alternatively, you can send your children in to school with a packed lunch if you prefer. Please send the packed lunch in a plastic bag that can be thrown away after lunch.
- You can send your child in with healthy snacks and drinks (no fizzy drinks). Please send these in a plastic bag that can be thrown away.
- Please ensure your child attends school in freshly washed school uniform. If this is not always possible, please send your child in with freshly washed non-school uniform.
- The children will be taking part in Forest School sessions, therefore please provide your children with a pair of boots or old shoes/trainers that they can wear outside. We will keep those in the classroom.

A gentle reminder, as you are aware, if you or your children show any symptoms of illness it is essential that you inform us for the welfare and safety of all other children, staff and yourselves. Should you fall ill, you will be required to self-isolate immediately.

Kind regards

A Lymbouris

Miss Lymbouris

If you believe it, you can achieve it!
