

Dear Parents and Carers,

I am pleased to share that we have had a lovely 3 weeks into our summer term. I have seen some fantastic work produced by children across the school and I am immensely proud of the effort and progress they are showing despite all the changes to their typical school life. As restrictions start to lift further, we hope to start planning in a sports week and other events for the children to enjoy at the end of the summer term. Last week we found out about our new Reception intake for September 2021, and we are excited to welcome them to our Kingsmoor family.

Miss Lymbouris Acting Principal

GO GREEN CLUB

I decided to pick up the litter in our playground because it was harming our environment. I told Mr Getley, our forest school teacher, and he gave me some gloves and a litter pick. Willow and I picked up the litter in our lunch break, it was surprising how much of it was there! We started a club called 'Go Green' and now we pick up litter every lunch time. The members are Willow, Melissa, Joywina, Toby and, of course, me!

Health Information

Head lice can be difficult to spot, even when the head is closely inspected. They're very small whitish or grey-brown insects that range from the size of a pinhead to the size of a sesame seed.

The only way to be sure someone has head lice is to find a live louse by combing their hair with a special fine-toothed comb. This is called detection combing. Treatments to get rid of head lice are available to buy from pharmacies, supermarkets and online. You don't usually need to see your GP.

The main treatments are:

- lotions or sprays that kill head lice – these can be very effective, but some aren't suitable for pregnant or breastfeeding women, or for children under two.
- removing head lice with a specially designed comb – this is suitable for everyone and relatively inexpensive, but needs to be repeated several times and can take a long time to do thoroughly

A pharmacist can advise you about the treatments available if you're not sure which is best for you or your child. Make sure you carefully follow the instructions

The children in Reception have had fun over the last few weeks with their Butterfly kit. This will give them a unforgettable opportunity to watch caterpillars grow, change into chrysalides and emerge as beautiful Painted Lady Butterflies.

Reception Butterfly's

They will raise and feed their very own butterflies and then release them into the wild to continue the butterfly cycle.

They have just gone into their Chrysalises this week.
