A message from the Principal

Dear Parents and Carers,

Well I can't believe that we only have 4 weeks left of this academic year! I am sure you will agree with me and my staff when we say that the year has flown by for us.

The last few weeks have left me feeling incredibly proud of our pupils. They have shown such resilience and positivity to all aspects of their school life. I have seen Year 1 children completing their phonics screening checks, Year 2 completing their SATs tests, Year 4 completing their Multiplication checks and Year 6 completing their SATs tests. The attitudes of all our children were outstanding during the testing period, well done to them all.

There have been some great highlights for us at Kingsmoor recently including our Academy hosting the music festival for Harlow schools. Miss Nelmes, our Reception teacher and Music lead, organised a great festival and it was lovely to see children across Harlow enjoying their time at Kingsmoor. Thank you Miss Nelmes for all your hard work.

We would also like to thank the PTA for all the hard work they put into organising the summer fete. If you came along, I am sure you will agree that it was a fabulous day for all. The performances from Dance fusion were a big hit and we felt proud watching some of our current pupils and ex-pupils dancing away. Thanks to the PTA, we raised almost £2,400.

Finally I would like to say a huge thank you to the Changing Lives team who organised an outstanding sports week for all of our pupils with a range of activities for them to take part in over the week. The sports day finale on the Friday was celebrated by all. Congratulations to Air house for being the overall champions of sports day for 2022—23.

You will be receiving your child's end of year reports on Monday 17th July so please keep an eye out for them. There will be a feedback sheet included in the report and we welcome your comments.

Important information - Term time holidays

Improving school attendance is a key priority for all schools across Essex. Where families choose to take a family holiday during term time, this can detrimentally impact a pupil's progress and can prevent them from fulfilling their true academic potential. Our school attendance policy, available via our school website, clearly sets out the process that parents should follow if they wish to apply for leave during term time. Please note that applications should only be made, if you feel that there are exceptional circumstances which mean that the leave cannot be taken during the school holidays.

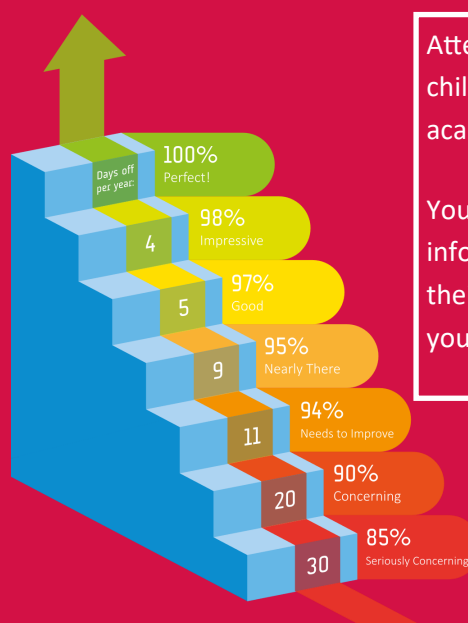

We would ask all parents to note that, where families choose to go on holiday during term time and the absences are coded as unauthorised, Essex County Council may not issue penalty notices and may instead proceed to prosecution and place the case directly before the Magistrates for their consideration in court. If found guilty by the Magistrates, parents could face a fine of up to £2,500 and/or 3 months imprisonment.

ATTENDANCE

Kingsmoor Academy prioritises attendance and punctuality. We aim to have attendance which meets and exceeds the national average which is 96.7%.

We understand that children can be absent from school due to illness and medical appointments. Please remember to call the school office and report your child's absence to the attendance officer before 9.30am.

Punctuality is just as important as attendance. We have a 'soft start' from 8.45am where children can attend and complete some early morning work. Classroom doors close at 8.55am for registration.

Attending school daily is vital for children's routines, wellbeing and academic attainment.

Your child's individual attendance information will be included on their end of year reports which you will receive on Monday 17th

"Our Year Six pupils took part in a stone carving workshop as part of the Harlow Creates Art Project. Irena Posner, a professional sculptor, spent three days with our children where she showed them some of her work and talked about the inspiration for her pieces. The children then planned their own fossil sculpture and got to work chiseling their wonderful artwork. It was a great three days and we want to thank all those involved in the Harlow Creates Project."
