SLT ensuring that adequate support is provided for children who are entitled to PP funding.	The Senior Leadership Team has played a crucial role in ensuring that children entitled to Pupil Premium (PP) funding received the support they needed. Here are the specific steps and measures SLT took to ensure adequate support for PP students along with the impact: 1. Strategic Planning and Leadership - Senior leaders were responsible for developing and implementing targeted interventions. These have helped to start closing the attainment gap between PP children and their peers. 2. Data-Driven Decision Making – SLT have regularly monitored the progress of PP children using data to evaluate the effectiveness of interventions and made necessary adjustments where appropriate. This helped in identifying successful strategies and areas that needed improvement. 3. Tailored booster groups - Senior leaders prioritised evidence-based	£17,301.55
	interventions and regularly reviewed the latest research to inform their practice. As a result, we observed positive impacts on PP children's progress.	
	4. Effective Use of Funding - Pupil Premium funding has been used effectively and this has directly benefited the PP children. This included investing in additional staffing, resources, and programs which are specifically designed to support these pupils. This has resulted greater progress being made amongst our children.	
	 Monitoring and Evaluation – SLT have held all staff accountable for the progress of PP children, particularly during pupil progress meetings. This has ensured that there is a shared responsibility across the school. 	

	6. Engagement and Con	nmunication – SI	T delivered maths	workshops,	
	and this supported pa	arents to underst	and their own chil	dren's	
	learning and help the	em support their o	children's learning	at home.	
		• •	S		
	7. Creating an Inclusive E	: nvironment – SL	T have promoted i	nclusive	
	practices within the school	ol and this has en	sured PP children	are fully	
	integrated into the schoo	ol community and	have accessed the	e same	
	opportunities as their pe	ers.

40% Remainder of NTP	Although initially the National Tutoring Programme was in place for disadvantaged children, we have now incorporated different cohorts of children as we had the capacity to run 227 hours' worth of tutoring this academic year enabling us to narrow the gap for many children including those entitled to Pupil premium funding. We provided targeted, high-quality tutoring to all pupils who needed it most, helping to close the attainment gap between peers. Feedback from both children and parents has been positive and improved attitudes towards learning have been observed.						

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Total cost: £100,300.48

	Roald Dahl day Treasure Island Panto	Visitors- £59
	 Dress up as a Pirate day-Maths Carnival- Drumming workshops Poetry Week Football tournaments – KS2 Boys and Girls Children in Need, day Safer Internet Day World Book Day Comic Relief – Red Nose Day Book Fair Science Week British Values Week 	Duxford- £419.5

		create memories for children that will last a lifetime. Performing at the O2 gave them the perfect platform for this. The music is specially selected to introduce children to the widest possible range and by providing a diverse range of styles, it is hoped that they will gain a fuller understanding of music and what it means to sing together. For some of the music, children are taught simple dance moves that are performed whilst singing the songs.	mood and make them feel good about themselves. Our pupils report feeling happy when they sing which leads to increased self-esteem. Regular Young Voices practice sessions also impacted our pupils as it built self-confidence, engaged the emotions and promotes social inclusion.

SENDCo	At a recent Academy review the following positives were	
	identified:	
	There is a clear and ambitious vision to continue improving	
	attendance. The team is committed to implementing	
	effective strategies that prioritises regular attendance,	
	ensuring all students have the best opportunity to succeed.	
	Academy knowledge of children and families and	
	consequent support is exceptional. Pupils have a strong	
	sense of belonging to the Kingsmoor family.	
	Academy culture is strong, and children and adults	
	genuinely enjoy coming to school	
	The attendance team is knowledgeable and includes a Officer along with a constitution at affile.	
	capable Attendance Officer along with supportive staff. Communication among team members is strong, and they	
	utilise effective tracking systems to monitor attendance.	
	TAC meetings involve key leaders to ensure there is a	
	comprehensive understanding of children with poor	
	attendance. This approach ensures that the impact of	
	safeguarding issues and mental health is considered during	
	attendance discussions, allowing for appropriate	
	interventions to be put in place.

Breakfast club	Children 1-7 made good progress while taking part in YCT Counselling. Eakfast club Kingsmoor subsidised breakfast club for numerous children to ensure they had at least 2 meals in the day. We also used this as a supportive tool with parents to get their children into school on time.									£3644.52

After school club resources	Kingsmoor Academy have provided a wide variety of clubs to allow children to enhance their learning. The after-school clubs have played a crucial role in closing the attainment gap and supporting their holistic development as well as promoting physical and mental health.									£3064.12
	100% of Pupil premium were offered a place in clubs and 89.5% of Pupil premium children have attended at least one club throughout the academic year. 75.4% of pupil have attended at least 2 clubs throughout the year.									
Lunchtime sports enrichment	Kingsmoor provided lunchtime sport enrichment. 100% of Pupil premium access this this year. Sports and physical activity clubs at lunch time have promoted physical health and in turn this this has also improved mental well-being.									

Uniform support and school supplies	The DSL worked with the Pupil premium lead to use funds to buy uniform for children and families in need to ensure there was no barrier to attending school. This year Kingsmoor developed a school uniform lending library to ensure all children had access to full uniform. This has improved attendance rates, as the uniformity has reduced peer pressure and social anxiety related to clothing. KS2 Ties-£2030.38 Individualised uniform for vulnerable children-£720 Breakfast club subsidence- This year Kingsmoor have bought ties for everyone in key stage 2.
Cover teachers - Recovery funding	Supply teachers were used to ensure all children had effective teaching and learning throughout the year. They maintained the stability and quality of education that all pupils are entitled to by following the 'Kingsmoor Way'.
EYFS resources to support the children's interest	This year we have children who love the outdoor area so we have put money into this to enrich their learning opportunities. Our outdoor environments have provided a wealth of sensory stimuli that sparked conversations among the pupils and therefore positively impacted on the development of the speaking and listening skills in our young pupils. Overall, the resources used in our Early Years provision have been rich, varied, and stimulating which have encouraged communication, collaborative play, and active listening. Children have made great progress in all areas since they were baselined in the autumn term. EYFS Nat 2023% KIN GLD 62.2% 71% 64% 2023 71% 64% 2023 71% Comparison

Library service and artefact boxes	The library provided school with books for every wider curriculum topic as well as artefact boxes. The diversity of books which the children have experienced, have catered to different interests and reading levels. The artefacts have allowed children to have handson experiences that have made learning more concrete and memorable. "I love what we get to hold, it makes learning real and I can still
	remember everything in all of our boxes from the whole year." Year 5 girl

Lego therapy was used with 6 children who needed support as a Lego resources: Lego therapy result of their Boxall Profile results. All children were reported to £678 equipment to be able to work better in a team, listen to their peers and it also support Mental supported their prepositional vocabulary.
