A message from the Head of Academy

Dear Parents and Carers,

As we reach the end of another school year, I want to take a moment to reflect on the incredible journey we've shared over the past months. It has been a year filled with learning, laughter, and growth, and I am immensely proud of every child, staff member, and family who has contributed to making our school such a special place.

Our pupils have shown remarkable resilience, creativity, and kindness. Whether it was through their achievements in the classroom, their performances on stage, or their sportsmanship on the field, they have truly embodied our school values. Watching them grow in confidence and character has been a joy and a privilege.

To our Year 6 leavers – we are so proud of you. You have been wonderful role models, and we know you will go on to do great things in your new schools. Remember, you will always be part of the Kingsmoor family.

A heartfelt thank you to our dedicated staff, whose passion and commitment make all the difference. And to you, our parents and carers – thank you for your continued support, encouragement, and partnership.

As we head into the summer break, I hope you all find time to rest, recharge, and enjoy special moments with your loved ones. We look forward to welcoming everyone back in September for another exciting year of learning and discovery.

Wishing you a safe and happy summer.

Warmest regards,

Mrs Angie Skinner
Head of Academy

Safeguarding

Information from the National College:

The social media network formerly known as Twitter has undergone numerous alterations since its change of ownership and rebranding as X – and many of these recent developments have proved controversial. With any user now simply able to pay a fee for account verification, for example, the once-reliable ‘blue tick’ system has become largely meaningless.

It’s just one of several changes that have set the social media giant on what many consider a concerning path in online safety terms. Our #WakeUpWednesday guide provides a run-down of the most significant tweaks made to X; their potential safeguarding implications; and how to help ensure young people minimise the risks while they continue to use the service.

We remind our children to be SMART online

Online Safety

Follow the SMART rules to help stay safe online.

YEAR 6 LEAVER

Your primary school journey is ending,
and what a journey it's been!
Full of laughter and learning,
even a few months of quarantine!

Friendships that will last a life time,
teachers who taught most that you know.
There's nothing quite like your primary school days,
and the school family who helped make you grow.

As you say goodbye to your primary school,
all the memories will stay in your heart.
Although this chapter is ending,
the next one is bursting to start!
